

BUILDING HOPE FOR TOMORROW

WAUKEE

Building for the Future

Jesus is changing lives through the ministry of Hope Waukee, and you're invited to join the mission through your time, talent, and treasure. In the Fall of 2024, we began a debt reduction campaign called "Building Hope for Tomorrow" aimed at growing in faith, love, and generosity. The need continues to pay down our existing debt to free up additional funds for outreach and ministry, as well as setting us up for the future growth and expansion of our facility.

Thank You!

You are an incredibly faithful and generous church. Through your faithful giving of time, talent, and treasure over this past year, we've paid down our debt, general fund giving increased by 10%, and prayers for increased servant leadership and volunteers have been answered. But the need to give and serve is still great.

We're On Our Way!

TOTAL BUILDING DEBT (FALL 2024)	\$2,900,000
DEBT PAID IN 2025	\$983,204.65
REMAINING PLEDGES	\$241,780.48
PROJECTED REMAINING DEBT	\$1,675,014.87

Why Give Now?

In July of 2026, our loan interest rate will increase from 2.5% to 6%, increasing our annual interest payment from \$47,000 to approximately \$115,000. Making an intentional, all-church effort to pay down our existing debt will save us thousands in annual interest, free up those funds for outreach and ministry, and set us up to pay more upfront or take on new debt (if needed) for much needed building renovations and expansion for our fast-growing church.
